<h1>Happy Summer!</h1> 				Alternate entrees per day will be manager's choice.

SUMMER FOOD PROGRAM OFFERS FREE MEALS DURING THE SUMMER MONTHS

The Texarkana Independent School District Child Nutrition Program is working to ensure that no children in Texarkana and the surrounding area go hungry when school is closed this summer. The Summer Food Service Program (SFSP) will offer meals to any child 18 years old or younger. Many children in the state receive free or reduced priced meals during the school year, and parents struggle to balance their budget when school is out to include extra meals for their children. The SFSP ensures all children continue to grow and learn during the summer.

Sponsored by the U. S. Department of Agriculture (USDA), the SFSP is the largest federal resource available for local programs. The Texas Department of Education recognizes the need for the program throughout the State. Many of our children who rely on school breakfast and lunch during the school year may not have the energy they need during the summer. That's where the SFSP comes in by providing nutritious meals so kids can remain nourished and active.

Our responsibility for children does not end when school is out for the summer. Kids who get enough to eat and have safe activities to participate in during the summer are less likely to get into trouble. Our summer meal program is a building block in the community for healthy, happy kids .

For more information contact Beth Carson, RDLD., Child Nutrition Director, at the Texarkana ISD Child Nutrition Office, 1600 Waterall Street, Texarkana, Texas, 75501, 903-792-2231
